Smart@Work

Smarter solutions for your business

FUJI Xerox

Introducing the next generation printing products from Fuji Xerox. Our Smart@Work printers simply get the job done, so you can stay focused on your business and not the technology. Supporting your success, by managing your costs and your data, our Smart@Work printers can do much more than just print, copy, scan, email and fax.

Mobility for your Business, get more work done in less time

Our Smart@Work printers offer fully integrated mobile, scanning and cloud based solutions – so your office is always at your fingertips. By combining NFC (Near Field Communication) technology with support for Apple AirPrint and Google CloudPrint, you can now enjoy enhanced productivity and convenience. Smart@Work printing promotes ease-of-use and eliminates print-queues by simplifying the print process. In the case of the DocuPrint CM315 z multifunction, this productivity benefit also extends to your scanning process. Your business is freed of time-consuming printing and scanning processes allowing you to get more work done in less time.

AirPrint and Google Cloud Print ready

AirPrint™ and Google Cloud Print™ enables you to print directly from your mobile device without the need to download mobile apps or to install print drivers. Perfect for your mobile business.

AirPrint

Google Cloud Print

Wi-Fi Direct

The DocuPrint CP315 dw / CM315 z are Wi-Fi Direct enabled allowing devices to connect and print easily without requiring a wireless access point.

Mopria™ Alliance Certification

The DocuPrint CP315 dw / CM315 z are Mopria Alliance certified, making it possible for Android users to easily print documents using your mobile device. Mopria Print Service can be downloaded for free from Google Play™ Store (Android™ 4.4 or later).

NFC Enabled

The DocuPrint CP315 dw / CM315 z offers built-in Near Field Communication (NFC) technology. NFC is a form of contactless communication between a mobile device and the printer*. Wave your mobile device over the printer, the Print Utility automatically launches and you are ready to print or scan.

*Scan function only available on CM315 z

*To enable this you must install the Fuji Xrox Print Utility App.

Complete tasks faster with Smart@Work One Touch

All businesses have daily repetitive tasks, which can be monotonous, tedious, boring and tiresome. These tasks are prone to error due to inattention or sheer boredom. The DocuPrint CM315 z takes a complex, common task (scan, copy, email, fax) and simplifies the process through a Smart icon.

The customisable colour touch screen allows you to set up custom icons with your most used functions. Simply create a smart icon specific to your task, name it and you're ready to go. Press the icon and with one touch of a button you can work faster with Smart@Work One Touch. For even more convenience, you can rearrange your icons to easily access the functions you use the most. Smart@Work One Touch provides simple access to the cloud.

Now you can work faster with Smart@Work One Touch. You have One Touch access to the cloud, so you can print from or scan to your cloud service.

Print Fast. Don't wait

However demanding your business printing needs, the DocuPrint CP315 dw / CM315 z delivers great results – fast. Save time by printing even complex documents at speeds of up to 28 pages per minute helping you to work faster, be more flexible and more productive.

Save time and increase productivity with Smart@Work One Touch

Simplify your work processes with the innovative 4.3" colour touch screen display on the DocuPrint CM315 z.

It features bright, colourful icons and intuitive 'click-drag' navigation for optimal ease-of-use. Organise your most commonly used functions so they are easy to access.

Make your daily work processes a breeze by creating your own custom 'app', which allows you to convert complex processes into a simplified command you can access with a click of a button, giving you quick access to frequently used and complex functions.

The built-in USB port makes walk-up functionality simple, allowing you to print and scan to and from a USB memory stick without the need of a PC.

DocuPrint CM315 z
4.3" Colour Touch Screen

One Touch access to the cloud

Cloud Service Hub –
print from, scan to, your cloud service

With the Fuji Xerox Cloud Service Hub you can print various types of file formats such as Microsoft Office stored in your cloud service or send scanned data to the cloud – simply and securely. The single sign-on feature gives users Smart@Work One Touch secure access to your web apps in the cloud – via your PC or mobile device or your multifunction printer*.

The DocuPrint CP315 dw / CM315 z are shipped with 1 user licence, 12 months subscription valued at $95. This provides access to Fuji Xerox Cloud Service Hub which allows Smart@Work One Touch access to your listed cloud services (Dropbox, Evernote, Box, Google Drive, OneDrive and Working Folder).

Connect safely

Powerful security features makes the DocuPrint CP315 dw / CM315 z perfect additions to any multi-user environment

Security that protects your data and your business

Businesses are only getting more connected and that brings increased risks, even for multifunction printers. With the Fuji Xerox Smart@Work range, you can protect your business critical data against potential attack from multiple access points.

Secure communication

For users in today's business environment, security is paramount. The DocuPrint CP315 dw / CM315 z is equipped with advanced technology designed to safeguard your business critical data against potential attack from multiple points of access.

Built-in security features such as IPV6, IPsec, Secure HTTPs (SSL) and SNMPV3 delivers required security to keep your confidential data safe.

Confidential printing

Advanced security features, such as Secure Print, allows you to set a password on your print job which means that the data is encrypted for transmission and is hidden from prying eyes by only printing when a password is entered on the control panel. Perfect for workgroup environments, this means that your confidential documents won't end up in the wrong hands.

Flexible options to suit your needs

The DocuPrint CP315 dw / CM315 z gives you flexible options to suit your work environment

1. 4.3" Colour Touch Panel* with easy to use operations
2. Direct USB Scan*
3. Duplex Automatic Document Feeder *
4. Easy to change toner
5. 50-sheet bypass tray
6. 250-sheet standard feeder
7. Optional 550-sheet feeder (EL500292)
8. Optional cabinet (EL500294)
   The optional cabinet frees up table space and provides extra storage for consumables
9. External standard Wi-Fi

*Available on the CM315 z

Impress customers with quality while making real savings for your business

One of the lowest running costs in the market

The Smart@Work 315 Series offers you best-in-class colour print quality at one of the lowest running costs in the market saving you money.

You invest in a colour printer for a reason – to produce quality material so that it makes an impact on your customers. Nothing is more effective than colour when your material needs to be noticed, understood and remembered.

High yield, lower costs

High-yield toner cartridges allow longer periods of uninterrupted productivity, reducing your total cost of operation.

Certified energy efficient

The DocuPrint CP315 dw / CM315 z carry the international Energy Star label. Energy Star is a voluntary labelling program designed to identify and promote energy efficient products that reduce greenhouse gas emissions.

Save with Super EA-ECO Toner

The newly developed Super EA-Eco Toner applies a new polyester resin that dramatically effects the viscosity of the toner with changes in temperature. This enables Super EA-Eco Toner to achieve 10-15°C lower fusing temperature than standard toner, reducing power consumption by up to 20%, and reducing CO_2 emissions by up to 35%. That means bigger savings for you and a greener planet for us all.
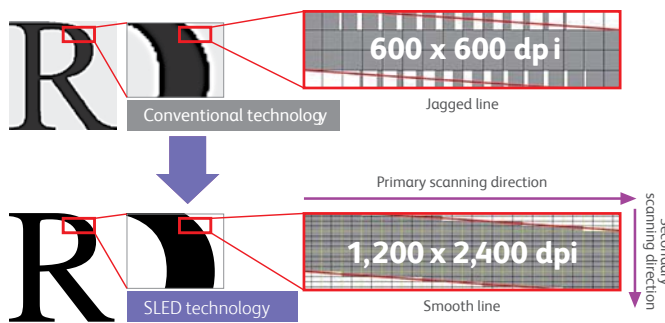

Take charge of your printing costs

With Auditron, you can define user usage limits for colour printing. This makes it easier to track, analyse and manage print expenses for your business.

New CCSLED Technology with IReCT delivers outstanding print quality

Newly developed CCSLED (Current Confinement Self-Scanning Light Emitting Device) & STYLS (Set-Type ThYristor Logic SLED) technology allows high-resolution output at 1200 x 2400 dpi quality, whilst achieving compactness and power-saving benefits.

IReCT (Image Registration Control Technology) ensures each printed colour is corrected by digitally processed 2400 dpi high-resolution data, ensuring improved registration accuracy and ultra-precision image reproduction.

Conventional technology — 600 x 600 dpi — Jagged line

SLED technology — 1,200 x 2,400 dpi — Smooth line — Primary scanning direction — Secondary scanning direction

Gradation control in secondary scanning direction enables smoother reproduction of black lines and character outlines. This feature is especially effective on the lines in low angles. The result is smoother, sharper image reproduction.

Configurations

DocuPrint CP315 dw

Up to 28 pages per minute printing
Standard paper capacity – 300 sheets
Automatic 2-sided printing
Print resolution of 1200 x 2400 dpi
Memory Capacity 512MB
Network ready, Wireless Network, USB 2.0
Fast processing speed with ARM Core 733MHz

Print

DocuPrint CM315 z

Same print features as CP315 dw plus
Copy, Scan, Fax, Email function
Memory Capacity 1GB
ID Card copy feature
4.3" colour touch panel
Scan to FTP / Email / SMB / USB storage device
Embedded Fax (33.6Kbps) and PC DirectFAX

Print   Copy   Scan   Fax   Email

Specifications of DocuPrint CP315 dw / CM315 z

Basic Specifications / Print Function

Item	DocuPrint CP315 dw	DocuPrint CM315 z
Print Speed	Up to 28 ppm (A4), monochrome and colour	
Duplex Print Speed	Up to 18 ppm (A4), monochrome and colour	
Print Resolution	1200 x 2400 dpi (Fuji Xerox Imaging Technology)	
First-page-out-time (ISO 17629)	Less than 9.2 seconds for colour Less than 8.2 seconds for monochrome	
Warm-up time	Within 20 seconds	Within 38 seconds
Maximum Duty Cycle	52,000 pages/month	
Memory (Standard)	512MB	1GB
Processor	ARM Core 733MHz	
PDL	PCL6, PCL5e, Postscript® 3 Compatible	
Duplex Automatic Document Feeder	–	50 sheets
Two-sided printing, copying, scanning	–	Standard
Protocol	Ethernet (standard): TCP/IP (IPv4/IPv6, LPD, IPP, IPPS, SMB, Port9100, WSD*, HTTP, HTTPS, SMTP, RARP, AutoIP, WINS, Telnet), SNMP, DHCP, BOOTP, Bonjour (mDNS), LDAP, LDAPS, Kerberos, DNS, DDNS, SNTP, FTP IEEE 802.11b/802.11g/802.11n * WSD stands for Web Services on Devices.	
Connectivity	Ethernet (1000BASE-T/100BASE-TX/10BASE-T), USB 2.0 (Hi-Speed), Wireless (IEE802.11b/802.11g/802.11n)	
Supported OS	**PCL6 Driver:** Windows® 10 (32bit), Windows® 10 (64bit), Windows® 8.1 (32bit), Windows® 8.1 (64bit), Windows® 7 (32bit), Windows® 7 (64bit), Windows Vista® (32bit), Windows Vista® (64bit), Windows Server® 2012 R2 (64bit), Windows Server® 2012 (64bit), Windows Server® 2008 R2 (64bit), Windows Server® 2008 (32bit), Windows Server® 2008 (64bit), Citrix XenApp 7.6 **Postscript® 3 Compatible:** Windows® 10 (32bit), Windows® 10 (64bit), Windows® 8.1 (32bit), Windows® 8.1 (64bit), Windows® 8 (32bit), Windows® 8 (64bit), Windows® 7 (32bit), Windows® 7 (64bit), Windows Vista® (32bit), Windows Vista® (64bit), Windows Server® 2012 R2 (64bit), Windows Server® 2012 (64bit), Windows Server® 2008 R2 (64bit), Windows Server® 2008 (32bit), Windows Server® 2008 (64bit), OS X 10.11 El Capitan, OS X 10.10 Yosemite, OS X 10.9 Mavericks, OS X 10.8 Mountain Lion, Mac OS X 10.7 Lion, Citrix XenApp 7.6 **Linux PDF driver provided, supported OS as follows:** Redhat Enterprise Linux 7 Desktop, Redhat Enterprise Linux 6 Desktop, SUSE Linux Enterprise Desktop 12, SUSE Linux Enterprise Desktop 11, Ubuntu 14.04 LTS, Ubuntu 12.04 LTS, Ubuntu 10.04 LTS	
Input Paper Size* — Standard Tray	A4/B5/A5/A6, Letter/Legal/Folio/Executive/COM10, Monarch, DL, C5, Postcard(4x6), Postcard(5x7), Custom Size (Width 76.2 to 215.9mm, Length: 148 to 355.6mm)	
Input Paper Size* — Bypass Tray	Width: 76.2 to 215.9mm Length: 127 to 355.6mm	
Input Paper Size* — Optional 550-sheet Feeder	Width: 76.2 to 215.9mm Length: 190.5 to 355.6mm	
Input Paper Weight (All trays)	60 to 220gsm	
Media Input Capacity	Bypass Tray: 50 Sheets; Standard Feeder: 250 sheets; Optional Feeder: 550 sheets; Maximum: 850 Sheets	
Media Output Capacity	150 sheets face-down	
Dimensions (WxDxH)	420 x 480 x 347 mm	420 x 503 x 500 mm
Weight (without toner cartridges)	23.7kg	30.2kg
Power Support*	220 to 240V 0Hz ±10%; 50Hz ±3Hz, 60Hz ±3Hz	
Power Consumption*	Max 1,320 w or less Low 15 w or less Sleep 1.2w or less	Max 1,320w or less Low 23w or less Sleep 1.5w or less
Noise Levels	Standby: 4.30dB(A); During operation: 6.94dB(A)	

Copy Function

Item	DocuPrint CP315 dw	DocuPrint CM315 z
Continous Copy Speed (A4)	-	28 sheets (A4) Colour, Monochrome
Copy Resolution	-	up to 600 x 600 dpi
FCOT	-	9.9 secs monochrome / 12.1 secs colour
Reduction / Enlargement	-	25% – 400%
Continuous Copy	-	Up to 99 pages
Copy Features	-	2-in-1 copy, ID card copy, 2 sided copy

Scan Function

Item	DocuPrint CP315 dw	DocuPrint CM315 z
Type	–	CIS 1path 2sided scan
Scan Speed	–	Monochrome: 32 ipm, Colour: 15ipm (Simplex, A4 size, Colour 200dpi, from ADF)
Maximum Scanning Guarantee Area	–	Platen: 216mm x 297mm ADF: 215.9mm x 356mm
Scan Optical Resolution	–	Up to 600 x 600 dpi
Scan Destinations	–	Scan to Email, Scan to Network (FTP/SMB), Scan to USB Memory Scan to PC

Fax Function

Item	DocuPrint CP315 dw	DocuPrint CM315 z
Memory Capacity	–	4MB
Fax Resolution	–	Up to 400 x 400 dpi
Tranmission Mode	–	ITU-T Super G3/ G3 ECM/G3
Address book	–	120
Fax Features	–	Transmit: PC DirectFAX, Broadcast, Delay/Schedule, Forward Receive: Secure, Remote, Polling, Fax Forward to email

Accessories

Item	DocuPrint CP315 dw	DocuPrint CM315 z
550-sheet feeder	EL500292	
Cabinet	EL500294	

Consumables*

Item	DocuPrint CP315 dw	DocuPrint CM315 z
Black Toner (up to 3,000 pages)	CT202606	
Cyan Toner (up to 3,000 pages)	CT202607	
Magenta Toner (up to 3,000 pages)	CT202608	
Yellow Toner (up to 3,000 pages)	CT202609	
High-capacity Black Toner (up to 6,000 pages)	CT202610	
High-capacity Cyan Toner (up to 6,000 pages)	CT202611	
High-capacity Magenta Toner (up to 6,000 pages)	CT202612	
High-capacity Yellow Toner (up to 6,000 pages)	CT202613
